Description

Introducing the epitome of speed and precision: The 1999 Custom 40' racing sailboat crafted from Carbon Fiber and Kevlar. Designed by Nelson Marek and built by Westease in Holland, Michigan. Well maintained and in excellent condition, this sailboat can win single and double hand races.

(Please note: no cushions and cabin sole in the photos. They have been removed for winter storage.)

Every inch of this racing sailboat has been meticulously handcrafted, ensuring a level of precision that only true artisans can achieve. The use of advanced materials like carbon fiber and Kevlar guarantees the utmost strength and durability, and provides a lightweight yet incredibly strong hull.

Built for speed, this sailboat embodies the heart and soul of racing. Its sleek and aerodynamic design minimizes drag, allowing it to glide effortlessly through the water and outpace the competition. A one-of-a-kind creation, she boasts meticulous attention to detail, ensuring a racing experience like no other. This vessel delivers thrilling speed and responsiveness.

Invest in a legacy of winning. It comes with a proven track record of victories in prestigious racing events. Whether you're competing in regattas or setting sail for a solo adventure, this racing sailboat is ready to push the limits of your sailing experience.

Don't miss your chance to own a piece of sailing history and make history in the upcoming 100th anniversary of the Bayview Port Huron to Mackinac race. Experience the thrill of the open water like never before. Elevate your racing game to new heights with this masterpiece of nautical engineering.
