Condition:	Used	Name:	Eugenia		

Description

This "like new" 2020 Beneteau Oceanis 35.1 has been commissioned for offshore cruising and includes features such as a second custom made stainless steel arch which supports two solar panels and a radar dome, is a great handhold, and is also good for hanging lines and additional lights. She has air conditioning for those warm nights at the dock, the bottom has been barrier coated, full B&G electronics, Mantus anchors with second bow roller and anchor guard and many other options. There is even a puppy boarding ramp for your best friend.

This is a freshwater only sailboat with less than 50 hours on the Yanmar engine. She is a bargain compared to a new (smaller) Oceanis 34.1.

The spacious cockpit has been upgraded with beautiful synthetic teak for low maintenance, and it is the perfect place
